CON NOTES **May 2019**

Greetings, Members of the Regulated Community!

As we put the wraps on the month of May and head into the summer season, you are likely expecting the start of our now annual South Carolina Health Plan update – and you would be quite right in your expectation! We are preparing an update schedule for release to you next month; however, please take time now to begin thinking about and preparing your Health Plan comments for submission during the public comment period. As always, we are

also happy to discuss proposed changes with you prior to the comment period so that both the Department and regulated community members have the tools and information they need to move healthcare forward in South Carolina. We do ask, though, that you are careful to submit written comments **during** the public comment period. We strive to include as much as we can in our proposed updates, but tracking your comments during the comment period is critical to us in ensuring your voice is heard during the process. We look forward to hearing from you!
